GALVESTON, Texas – Local attorney Tad A. Nelson will appear on the cable network Court TV to discuss a highly publicized North Carolina murder case.

The network is broadcasting the murder trial of author Michael Peterson, 51, accused of killing his wife by pushing her down a flight of stairs.

“One interesting thing about this case is that he had a girlfriend who dies the exact same way, 18 years ago, when he was in the Army in Germany,” Nelson said.

Nelson, who has followed the case and has followed Court TV’s live coverage of the trial, will offer legal perspectives on the program “Both Sides” which will air on Court TV today from noon to 2 p.m.
